## VINCI STADIUM NAMED OPERATOR OF THE QUEEN ELIZABETH OLYMPIC PARK STADIUM IN LONDON

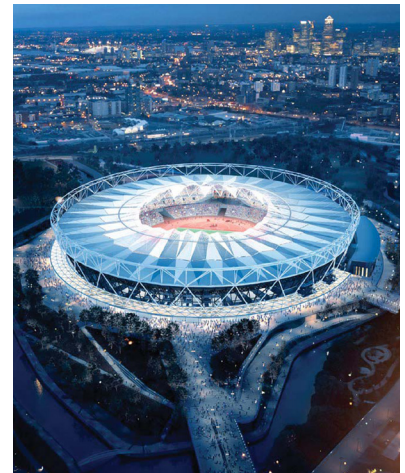

**The London Legacy Development Corporation (LLDC) and the London Borough of Newham (LBN) awarded the service concession contract for the Queen Elizabeth Olympic Park Stadium in London to VINCI Stadium, a subsidiary of VINCI Concessions.**

The 25-year contract covers operation, upkeep and maintenance of this new generation multi-purpose arena with a seating capacity of 60,000 and coordination of part of the park around the facility during the various events. VINCI Stadium successfully won this first operation-only stadium contract outside France.

The stadium, located in east London, was designed as part of the 2012 Summer Olympics and Paralympics in London and was used for the opening and closing ceremonies and for the athletics events. It is currently undergoing transformation and will be temporarily opened to welcome the Rugby World Cup in 2015 and then permanently re-opened in 2016 as the home of its future

resident club, West Ham United FC, and a venue for the annual IAAF Diamond League and UK Athletics (UKA), athletics championships held every summer. In addition, the stadium will host the World Championships in Athletics, the IPC Athletics World Championships in 2017 and international music tours.

VINCI Stadium will notably be in charge of managing the stadium during events, ensuring its commercial development through additional programming and generation of additional revenue (corporate events, partnerships, catering) and overseeing the public gathering place throughout the year to support the economic and social development of east London.
